GENERAL PRINCIPLES

1. **Sub-section 8.3** of the binding authority must give at least 60 days advance period, to comply with Illinois material change and non-renewal statutes.
 2. If **Sub-section 18** requires applications or specified proposal forms, the application or form must be included and may require filing with the Illinois Division of Insurance (IDOI).
 3. In **Section 20**, the current Illinois licensed format is LMA 3031 (Lloyd's Certificate Jacket A18)
 - A. This certificate jacket includes service of suit and names Lloyds Illinois, Inc. as a service of suit nominee. NMA 1998 is unnecessary.
4. For **Illinois surplus lines business**, the approved format is SLC-4, which contains all required surplus lines notices. Please note that SLC-3 does not contain all required surplus lines notices.
 - A. For Illinois Surplus lines business, the service of suit nominee **must not** be Lloyd's Illinois, Inc.
5. **Sub-section 21.1**
 - A. This section must address **each** class of coverage and line of business specified in **Section 6.2**
 - B. All clauses intended for use with any degree of frequency for **any** of these classes and lines must be specified to avoid the need to obtain the lead underwriter's specific agreement to forms.
 - C. Please organize clauses as follows by line of business.
 - i. Wordings, clauses, endorsements, etc. that are mandatory for all business written regardless of class or line and regardless of whether the risk is Illinois licensed or surplus lines
 - ii. Wordings mandatory **except** in Illinois
 - iii. Wordings mandatory in Illinois
 - iv. Optional wordings – for any state
 - v. Optional wordings specific for Illinois
 - D. For Property & Casualty, both TRIA purchased and TRIA rejected forms must be addressed. ISO TRIA forms are acceptable to the IDOI. **LMA forms are not.**
 - E. If more than one form is listed addressing a subject (such as TRIA), it should be clearly stated that one **or** the other is mandatory, or that one **or** the other is optional.

- F. It is common for Property and General Liability authorities to be written using ISO forms. ISO Property and General Liability forms are filed with the IDOI for use with certain mandatory modular endorsements.
- i. Forms that **must** be included with the basic ISO property forms are
 1. CP 00 90 07 88 Commercial Property Conditions
 2. CP 01 40 07 06 Exclusion of Loss Due to Virus or Bacteria
 3. IL 00 17 11 98 Common Policy Conditions
 4. IL 01 18 05 05 Illinois Changes
 5. IL 02 84 12 05 Illinois Changes–Cancellation & Non-Renewal
 6. IL 09 35 07 02 Exclusion of Certain Computer-related Losses

Please note the ISO cancellation and non-renewal clause does not have a short rate cancellation table. For this reason, we recommend inclusion of NMA 45.
 - ii. The forms that **must** be included with the new ISO occurrence-based Commercial General Liability form (CG 00 01 12 07) are
 1. CG 02 00 12 07 Illinois Changes, Cancellation & Non-Renewal
 3. IL 01 62 04 06 Illinois Changes–Defense Costs
 4. IL 00 21 07 02 Nuclear Energy Liability Exclusion (Broad)
 5. IL 00 17 11 98 Common Policy Conditions
- G. Similar mandatory inclusions apply to other lines/classes of business.
- H. Vague phrases **must** be avoided, such as “the following clauses or their equivalent” or “standard wordings”. Such phrases are unacceptable and do not fulfill Lloyd’s contract certainty requirements.
6. The Law and Practice, Jurisdiction and Governing Law state **must** be Illinois for Illinois business. See **Section 39**, specifically.
 7. All wordings used on Illinois licensed business must be filed with the IDOI. Lloyd’s Illinois files wordings on behalf of Lloyd’s underwriters.
 - A. If a new wording has not been filed, but its use is desired for Illinois business, please submit it to us at mail@lloydsillinois.com for a compliance review.
 - B. We will file the form on your behalf, with the lead underwriter’s agreement.
 - C. Lloyd’s Illinois wording reviews can take two or more weeks to resolve.
 - D. For commercial Property and Casualty business, Illinois is a “file and use” state. This means that risks can be bound immediately using a filed form unless or until the IDOI rejects the form. Risks bound to that point would not need amendment until renewal.
 8. For prompt information on available filed forms, please e-mail us at info@lloydsillinois.com with your inquiry, indicating that you have a “binding authority compliance request”.
 9. Please email a draft of your binding authority to us at mail@lloydsillinois.com at least 45 days prior to renewal so that any regulatory issues can be addressed in advance of the inception date.
 10. A complete copy of the final binding authority, including a signed-down syndicate table, **must** be submitted to us by email to mail@lloydsillinois.com **before** any risks are bound.
